

Gravity Feed Spray Gun Paint Strainers

Our final stage paint filter is designed to fit virtually all gravity feed spray guns on the market. Fine nylon mesh prevents undissolved pigments and dirt from spoiling paint jobs. Slips easily into position without tools.

Magnetic Paint Can Opener AES-87947

The AES-87947 is the last paint can opener you'll ever need! The screwdriver style plastic hand grip is both ergonomic and comfortable. Stop wasting time searching for a paint can opener thanks to the super strong magnet built into right into the handle. Stick it to your paint rack, mixing station or anywhere you need to open a paint can!
