

CRUSHPROOF® TUBING

EXHAUST HOSES

Crushproof® Tubing Company has been leading the exhaust hose industry through innovative design and on-going development since 1949. We have the most complete and affordable line of exhaust service products available.

- Can be crushed by a vehicle and will return to original shape (non-wire versions).
- Use for temperatures up to 600°F with proper system in place.
- Best value. Costs far less than alternatives and easier to install.
- Our threaded adapters can be quickly screwed onto or into the tubing.
- Join hoses together without the need of a separate splice (FlareLok only)
