DeVilbiss® Dirt Control Floor Coat

- Significantly reduces buffing time caused by dirt in paint jobs
- Reduces airborne particles in a spray booth by trapping them to booth floor
- Can be used in concrete floor paint booths, ideal for shops spraying waterborne (not for use with painted concrete, tile, or grated floors)

Order No.	Description
803491	Dirt Control Floor Coat (5 gal.)
803492	2-gallon Pump Sprayer

DeVilbiss® Booth Wall Coat

- Protects paint booth surfaces from paint overspray
- Sprayable masking liquid
- Peels off easily
