Alliance ClicSeal Mix Lids utilize the Gear Adapters to interface with Alliance Mix Machines.

Additional Gear Adapters PART#: 5326

Features

- Simple press and snap application make these lids easy to use.
- The ergonomic handle and thumb lever easily control the pour spout allowing for accurate pouring of any material.
- Fewer surfaces on the interior eliminates areas that retain paint, and allows for faster clean up and reuse.
- The redesigned paddle allows the lid to fit a quart, one liter, or half liter can.
- The replaceable soft plastic gasket seals on the inner diameter of the can, reducing evaporation.
- ClicSeal Mixing Lids are ten times stronger than traditional lock-lever mixing lids. Its four points of contact ensure a strong assembly.
- The revolutionary clip design eliminate potential scratching of the inner liner of waterborne cans, preventing particles inside the paint.
