## Retail Display

### Boosts Selling Power!

Display Socket Trays near the hand tools — display takes up just three square feet of shelf space — and watch 'em ring up sales! They practically sell themselves! You'll be showing and selling the industry's most popular toolbox accessory — Hansen Socket Trays. Socket trays come in SAE and Metric sizes for 1/2", 3/8" or 1/4" drives. They're molded of rugged ABS plastic to shrug off lubricants, solvents and abuse. Display holds four trays in each of the three SAE sizes and three Metric sizes. Part No. 9910 SAE Sizes, Red ABS • Metric Sizes, Gray ABS

**Part No. 9910**
