

55000 MAGNETIC SOLDERING CLAMP

Offers an Extra Pair of Hands When Soldering.

Alligator clamps firmly hold wire and small parts when soldering. Flexible design allows different ways to attach and hold wire. Clips and base are magnetic and can be attached to any ferrous surface. Magnetic arms can be removed and used without the base. Base is also hex shaped and can fit in a vise when needed.

55000 Magnetic Soldering Clamp. Skin-packed. Shipping wt. 3 oz.

U.S. Pat No. 7,618,029

13120 ELECTRICAL CONNECTOR SEPARATOR

Quickly Disconnects Electrical Connectors Without Damage.

Engage the tool tip behind the connector clip. Push or pull to disconnect. The tool is double-ended to fit different access angles. Works on Weather Pack and other automotive electrical connectors.

13120 Electrical Connector Separator. Skin-packed. Shipping wt. 3 oz.

32150 POWER / GROUND OUTLET

Provides a Convenient Electrical Ground and Power Source from the Vehicle.

Plug the tool into the cigarette lighter or power accessory receptacle. You now have a ground and power source on the dash. The plug light will come on to signal the plug is properly connected and both power and ground are available at the posts. For power, connect to the positive (+) terminal. For electrical ground, attach ground wire from the instrument to be grounded to the negative (-) terminal.

32150 Power/Ground Outlet. Skin-packed. Shipping wt. 3 oz.
