Strike Quality and Availability with Martin

Heavy Duty Striking Wrenches!

FORT WORTH, TX: — Martin Tool & Forge stocks three styles of Drop-Forged, Heavy Duty Striking Wrenches, available for shipment today. The offering includes: Heavy Duty Offset 12 point, Straight Pattern 12 point and “Roughneck” Straight Pattern six point. For use where extreme force is necessary to loosen or set large fasteners, these Striking Wrenches are manufactured using USA produced alloy steel and are heat treated for extended life providing an excellent return on investment. Each style offers large striking surfaces for better blow contact and efficient transmittal of force to fastener. Wrenches also feature heavy
