CAPACITY : Bit retainers firmly hold up to (4) 1-1/8" demolition steel bits

INCLUDES : Premium Hammer Cart

**ABOUT MODEL**

The Makita Premium Hammer Cart (T-03224) gives contractors convenient and secure transportation for a breaker hammer and bits. The large, rugged semi-pneumatic wheels roll smoothly over rough terrain. At the end of the day, the Cart goes back into the truck more easily with the stair climber rails. The rails are also engineered for more convenient lifting up stairs, curbs, and other elevated surfaces. For secure transport, the adjustable strap keeps the hammer securely fastened to the cart, and bit retainers firmly hold up to four 1-1/8" demolition steel bits.

FEATURES

- Large, rugged 10" semi-pneumatic wheels roll smoothly over rough job site terrain
- Stair climber rails for convenient lifting up stairs, curbs, truck beds and other elevated surfaces
- Adjustable strap keeps hammer securely fastened to the cart during transportation
- Convenient cord wrap keeps cord cleanly tucked away
- Bit retainers firmly hold up to (4) 1-1/8" demolition steel bits
- Flow back handle design for improved ergonomics and control
- Semi-pneumatic wheels eliminate the need for inflating flat tires
- Ball bearing hubs allow the wheels to rotate quickly and smoothly
- Corrosion resistant coating adds a layer of protection against harsh elements
- High quality steel for long life
