

WorkStar® 440 Inspector Maxx Work & Inspection Light
Order No. MXN00440

It's dusty and there is grit in the air, but you've got a job to do. The inspection light in your toolbox with the half-gone bite ring isn't going to cut it. The MAXXEON® WorkStar® 440 INSPECTOR MAXX (MXN00440) combination LED work light/penlight is the perfect tool for the situation. With a sturdy clip placed opposite the COB LED work light, put this tool in your chest pocket and forget about it.

- USB Rechargeable Work Light & Penlight (charging cable included)
- Hold it, use powerful clip magnet, or clip it to your pocket.
- 3 LED battery indicators.
- Wide Beam 250 lumen Floodlight: 2 hr run time.
- Bright 160 lumen Penlight: 3 hr run time.
- Rugged Aluminum body.
- Increased magnet strength in pocket clip.

Upgrade from our MXN00430 Inspector Maxx.
