

# THE RIGHT ANGLES FOR ELECTRICAL WORK

## 5950D ANGLED WIRE STRIPPING TOOL

- Patent-pending angled head puts wire strippers out front instead of between the handles for tight-access jobs
- Easily strips wire up against bulkheads, frames, firewalls and more with greater control
- Wire cutter on angled head for making tough cuts in hard to reach places

NEW

## 5950A & 5950S FEATURE

- Compact 7-inch multipurpose design
- Gripping nose - to pull, twist, bend, and shape
- Crimper - crimps 12-20 AWG insulated and non-insulated wire
- Stripper - strips 12-20 AWG wire
- Cutter - ability to make cuts below pivot

## 5950A CRIMPRO™ 4-IN-1 ANGLED WIRE TOOL
