

# 12V Li-ion PowerLuber Models 1262 and 1264

## Durable tool delivers solid performance

### Make quick work of lubrication tasks

The 12-volt, Lithium-ion PowerLuber was developed to simplify and speed up the lubrication process making it easier for operators to properly maintain equipment. Featuring an updated powertrain, handle design and enhanced features, this grease gun is suitable for agricultural, automotive, construction, general maintenance and industrial applications. The 1260 series delivers grease at up to 8,000 psi (551 bar).

Designed to minimize the burden of manual lubrication, the 12-volt, Lithium-ion PowerLuber is a problem solver that provides operator convenience. This high quality tool can open stuck fittings that otherwise would require replacement if using a manual grease gun.

### Work-ready design

The PowerLuber's three-point base keeps the tool upright and stable without being bulky. This feature allows access to tight areas and reduces operator fatigue when lubricating. Also, the tool has a convenient, built-in light emitting diode (LED) to illuminate the work area.

#### 12V PowerLuber models

<b>Model 1260</b>	12V Li-ion PowerLuber
<b>Model 1262</b>	Single battery unit with
<b>Model 1262-E*</b>	charger and carrying case
<b>Model 1264</b>	Dual battery unit with
	charger and carrying case
<b>Model 1261</b>	12V Li-ion battery
<b>Model 1870</b>	AC charger for 12 to 20V
	Li-ion batteries (110V)
<b>Model 1870-E*</b>	AC charger for 12 to 20V
	Li-ion batteries (220V)
<b>Model 1875A</b>	Mobile DC charger
<b>Model 1260-NB</b>	Tool only option

European specific/220V/CE approved

# The Brand the Pros Demand

## Lincoln invented the cordless grease gun

For more than a century, professionals have chosen the Lincoln brand for their lubrication equipment needs. As the leader in lubrication technology and solutions, we are dedicated to listening to our customers and their requirements. That dedication, combined with our understanding of the challenges of their daily work, led to the development of the problem-solving PowerLuber. Each generation of the PowerLuber family has delivered exceptional performance and dependability.

Lincoln's PowerLuber family includes a full range of battery-operated grease guns, including Lithium-ion-powered tools, as well as pneumatic and electric options.

Developed by the lubrication experts, the PowerLuber line has the right grease gun for your needs.
