New Mityvac Silverline® Elite Automotive Test Kit

Designed with proven features from the renowned Mityvac pumps, the MV8500 Silverline Elite Automotive Kit delivers both vacuum and pressure.

The dual capability of the new Mityvac hand pump combines two pumps into one. It will streamline your tool inventory while greatly extending its vehicle service applications.

Features/Benefits

- Provides either vacuum or pressure with equal precision and convenience
- Features modern, ergonomic design for comfortable, long-term use
- Performs engine performance diagnostics, brake bleeding, fluid transfer, evacuation, sampling, windshield repair and more
- Includes components needed to perform numerous diagnostic and mechanical tests
- Field serviceable — standard maintenance kits and replacement parts are available

Model MV8500 Silverline® Elite Automotive Test Kit

Compound scale displays vacuum or pressure

Durable, accurate gearless diaphragm style gauge

Powerful inline piston design

Pinned connection allows 360° gauge rotation for improved visibility

Rotating knob switches between vacuum and pressure

One finger lever-action vacuum/pressure release

Pivoting lever action maximizes output with minimal operator effort

Comfortable ergonomic handle reduces hand stress

The new Mityvac Silverline Elite hand pump combines 35 years of automotive diagnostic experience with advanced performance and comfort to meet the requirements of the latest automotive technologies. Featured in the new MV8500* Silverline Elite Automotive Test Kit, the pump produces vacuum along with pressure at twice its previous output to expand its vehicle service applications.

Durable die cast metal construction

Common Applications

- **Emission control systems (EGR, RCV, BPV) testing**
- **Turbocharger wastegate testing**
- **Vacuum and pressure brake and hydraulic clutch bleeding**
- **Ignition system diagnostics**
- **Fluid transfer/evacuation**
- **Cooling system pressure testing**
- **Automatic transmission service**
