

## Keep Vehicles Clean & Keep Customers Coming Back!

Keep dirt, grease, oil, leaks, or other shop fluids out of your customer's vehicle during service with genuine Slip-N-Grip<sup>®</sup> and Image Mat<sup>™</sup> floor mats. Paper floor mats can be customized in various sizes.

### PRIME HEAVY DUTY PAPER

This prime paper floor mat, direct from the mill, provides vibrant colored prints on its bright white surface, making it the perfect choice for full-colored, custom graphics. This premium paper is consistently the same every time, improving customer satisfaction.

- Durable paper for heavy foot traffic
- Vibrant, color prints
- 17" x 21"
- Bright white paper
- Premium quality, consistent thickness and color
- Direct from the mill - reliable paper supply
- 96 box minimum (2 pallets) on full color, custom imprint
- 500 mats/box

\*All secondary paper floor mats are subject to availability. Please confirm before ordering.

# GLOSSY BACK PAPER FLOOR MAT

This lightly coated paper provides a floor covering that will keep moisture, dirt, and grime off the customer's floor. Printed in a one-color black footprint graphic only.

- Landfill diverted Paper
- 16.5" x 21" paper size
- One color - black - imprinting
- Basic coverage for vehicle protection
- Perfect for light-standard service traffic
- Low-cost alternative
- Secondary paper may slightly vary from box to box
- 500 mats/box

# PLASTIC FLOOR MAT

A great alternative to paper floor mats, these plastic floor mats prevent water, oil, grease, and most shop chemicals from touching the carpeted floor of the customer's vehicle.

- 16.5" x 21" size perforated on a roll
- 2.0 mil for greater durability
- Waterproof
- Disposable and easy to dispense
- One-color custom imprinting available
- Recyclable

FG-P9943-02	16.5" x 21"	500/roll	120/pallet

# ADHESIVE FLOOR MAT

Like the plastic floor mat, but with the added benefit of adhesive on the back to prevent the mat from moving. This high-strength barrier will prevent water or any shop chemical from seeping into the carpet.

- 21" x 24" clear mat with high-strength adhesive coating
- 175 adhesive mats per roll
- 4 mil thickness
- Stay-in-place protection for up to 30 days
