### ALC PROFESSIONAL PRESSURE BLASTERS

PROUDLY MADE  
IN THE USA

**Deadman Blasters** Manual pull up tank closure / Adjustable abrasive flow valve / 80 - 125 psi Operating pressure / Minimum air volume of 7 CFM @ 80 psi / Pressure gauge / Pressure relief valve - 125 psi / Pressure relieving ball valve

**40000 (F-45DM)**  
• 44 lbs. / Ships UPS

**40001 (F-65DM)**  
• 55 lbs. / Ships UPS

**40002 (F-100DM)**  
• 53 lbs. / Ships UPS

**40003 (F-110DM)**  
• 63 lbs. / Ships UPS

**40004 (F-150DM)**  
• 76 lbs. / Ships UPS

**40005 (F-300DM)**  
• 133 lbs.

Model No.	Blast Hood	Blast Time	Blast Hose Size	Ceramic Nozzle Size	Moisture Separator	Frame	Tank Dimensions	Overall Height	Wheel Size	Tank Volume	Approximate Capacity
40000	Standard	15-20 Min.	1/2" ID x 8'	1 ea. - 1/8" / 1 ea. - 3/32"	Optional	Tubular Steel	10" x 14"	35"	6"	0.45 cu. ft.	45 lbs.
40001	Bump Hat	20-30 Min.	1/2" ID x 10'	2 ea. - 1/8" / 1 ea. - 3/32"	Optional	Welded Steel	12" x 17"	29.5"	6"	0.65 cu. ft.	65 lbs.
40002	Standard	30-45 Min.	1/2" ID x 8'	1 ea. - 1/8" / 1 ea. - 3/32"	Optional	Welded Steel	10" x 25"	34"	6"	0.9 cu. ft.	90 lbs.
40003	Bump Hat	35-50 Min.	1/2" ID x 10'	2 ea. - 1/8" / 1 ea. - 3/32"	Optional	Welded Steel	12" x 22"	32"	8"	1.1 cu. ft.	110 lbs.
40004	Bump Hat	45-60 Min.	1/2" ID x 15'	2 ea. - 1/8" / 1 ea. - 5/32"	Included	Welded Steel	12" x 27"	37"	8"	1.5 cu. ft.	150 lbs.
40005	Bump Hat	1-2 Hours	1/2" ID x 25'	2 ea. - 1/8" / 3 ea. - 5/32"	Included	Welded Steel	16" x 28"	40"	10"	2.5 cu. ft.	250 lbs.

**Remote Blasters** Automatic tank closure / Adjustable abrasive flow valve / 80 - 125 psi Operating pressure / Minimum air volume of 40 CFM @ 80 psi / Pressure gauge / Pressure relief valve - 125 psi

- 40011 (F-600R)**
- Heavy-duty blast hood
  - 1" ID x 25' Blast hose
  - 2-3 Hour blast time from 24" x 39" (6 cu. ft.) tank (600 lbs. capacity)
  - Pressure choke valve
  - Manual pressure release
  - Dual remote media valves
  - Welded steel frame
  - (1) 1/4" Tungsten carbide nozzle included
  - Moisture separator included
  - Overall height: 52" with 16" wheels
  - 425 Lbs. (skidded)

Converts Your Pressure Blaster Into a Soda Blaster in Minutes!

#### Conversion Kit

- Removes paint and graffiti without harming the surface
- Cleans engine compartments & other areas without harming the surface
- 2 Year warranty
- Environmentally friendly

**40416 with 1/2" & 3/8" fittings**  
Fits most brands of pressure blasters

#### Complete Kits

Includes Pressure Blaster Kit and the Soda Blaster Attachment

- 40002SB 100 Lb. ASME Certified**
- 40003SB 110 Lb. ASME Certified**
