Abrasive Discs and Sheets

Now available in finer grades 500+ to 1000+

Raising the bar for high-performing abrasives.

CUBITRON II

The cut and life you want, the finish you need.

From paint removal to fine sanding, 3M™ Cubitron™ II Abrasives are available in a wide range of grades - all helping to increase sanding efficiency during key stages of repair.

3M™ Cubitron™ II Hookit™ Clean Sanding Abrasive Disc 737U

3M™ Cubitron™ II Hookit™ Clean Sanding Abrasive Disc 737U combines the highest 3M technology for automotive repair: its long-lasting triangular shaped grain and multi-void pattern for superior dust extraction make the disc ideal for a long disc life. The very wide range of available grades offer discs for nearly every work up to the sanding of finished areas. The 3M™ Hookit™ system makes for quick disc change-outs.
