

Undercoating PN 08881 & PN 08882

Another **GREAT SOLUTION**

For Your Automotive Undercoating Needs!

3M™ Undercoating and 3M™ Underseal™ Undercoating are tough aerosol undercoatings for corrosion protection and sound deadening.

3M™ Undercoating, PN 08881

- Multi-purpose coating
- Protects from corrosion and abrasion
- For use on undercarriages, wheel wells and fenders
- Non-chlorinated formula

3M™ Underseal™ Undercoating, PN 08882

- Rubberized formula
- Good coverage
- Excellent sprayability
- Paintable

Part No.	Description	Can Size	Cans/Case
08881	3M™ Undercoating	16 oz. Aerosol	6
08882	3M™ Underseal™ Undercoating	24 oz. Aerosol	6
