

Abranet[®]

The original net abrasive

Abranet[®], the world's leading net sanding abrasive, combines premium aluminum oxide grains with thousands of holes to effectively vacuum away dust particles without clogging.

Abranet[®] delivers top performance and a longer lifespan than traditional abrasives, making it an excellent choice for cleaner work environments and a superior surface finish.

KEY FEATURES:

- Powerful aluminum oxide cutting grains
- Woven mesh backing outlasts paper
- Dust is removed before it can mar the sanding surface
- Lasts longer with no clogging
- Adds value – less abrasives per job
- Grip attachment for quick abrasive changes
- A key part of a dust-free, healthy workspace

APPLICATIONS:

-  **Automotive Refinishing**
-  **Woodworking**
-  **Construction & Decoration**
-  **Composite Processing**
-  **Marine Industry**
