

13000 EXHAUST MANIFOLD SPREADER

For Reinstalling the Manifold on Small Block Chevrolets.

A simple way to expand a warped manifold so all bolt holes are accurately aligned. Helps prevent cross-threading of manifold bolts. Works best when used in pairs. Or install before removing manifold to prevent misalignment.

13000 Exhaust Manifold Spreader. Skin-packed. Shipping wt. 6 oz.

48300 PUSH ROD REMOVER

Redesigned for Newer 3.5L and 3.9L GM Engines. Also Works on 2.8L, 3.1L and 3.4L GM V6 Engines.

Quickly removes push rods so you can replace the intake gasket. No need to loosen and retighten the rocker arm. The tool pivots the rocker arm to compress the valve spring and free the push rod for removal.

48300 Push Rod Remover. Skin-packed. Shipping wt. 12 oz.

U.S. Pat No. 9,138,877

37370 GLOW PLUG HARNESS PULLER

Removes and Installs the Wire Harness on Glow Plug Connectors on Ford 6.0L and other Diesel Engines.

Helps prevent damage to the harness and connector rail. It features a thumb tab and a textured highly visible grip that provides a better grip on the tool when removing the harness. The harness is fragile and can break, but with a better grip the technician will have more control when removing the harness. Made of stainless steel for rigidity and durability.

37370 Glow Plug Puller. Skin-packed. Shipping wt. 2 oz.

39200 HEATER HOSE DISCONNECT FOR FORD 2.0L

Disconnects the Heater Hose Fittings on 2012-2016 Ford Focus 2.0L and 2013-2016 Ford Escape 2.0L EcoBoost®.

These type of fittings are close to the firewall behind the engine and are difficult to turn with very little to hang onto to rotate. They only get worse over time with each heat cycle and deposit buildup. Tool engages the tabs and provides a better grip on the fitting.

39200 Heater Hose Disconnect for Ford 2.0L. Skin-packed. Shipping wt. 2 oz.

39190 HEATER HOSE DISCONNECT FOR GM

Designed to Separate Quick-Connect Fittings on 3/4" Heater Lines on GM Vehicles.

Hinged design allows the tool to slip over the heater hose, even in tight spaces. Slide the tool into the connector to release the line. Aluminum provides strength and durability.

39190 Heater Hose Disconnect for GM. Skin-packed. Shipping wt. 2 oz.
