## Standard Sockets

### Made in the U.S.A.

You can count on the quality workmanship and value of these American made sockets.

Made in U.S.A.

### SureGrip® Drive Design

The SureGrip® Drive Design drives the side of the fastener, not the corner. This not only provides increased strength, but also avoids the rounding of rusted or damaged fasteners, which can occur when using a sharp-cornered hex tool.

### SuperKrome® Finish

High polish SuperKrome® plating results in a jewelry-like finish, providing long life and maximum corrosion resistance.
