Sidewinders Safety Eyewear

Engineered with high-impact polycarbonate lenses, Sidewinders Safety Eyewear offer 99.9% UV protection and an anti-fog coating for clear vision in a wide range of conditions and environments. The scratch-resistant lenses deliver durability, while the ribbed non-slip nose cushion and adjustable temples provide a comfortable, secure fit. With ratchet inclination for optimal positioning, Sidewinders Safety Eyewear meets ANSI Z87.1+ standards, making them the perfect choice for safety and style.

Industries and Applications

- Automotive
- Manufacturing
- Painting
- Grinding
- Laboratory
