

**FAR REACHING BEAM +
1,100 LUMENS...
THERE'S A REASON IT'S CALLED THE
ULTRASTINGER LED.**

ULTRASTINGER® LED

The UltraStinger LED delivers a piercing 1,100 lumens, but that's not all... it also has a far-reaching beam, TEN-TAP® programming for its multiple intensities and strobe; plus we added a rubber sleeve for a better grip. It's IPX4 rated for water resistance and it works with existing Stinger® chargers and accessories.

ULTRASTINGER LED
