

> BLOWER HANGER™

(PATENTED DESIGN)

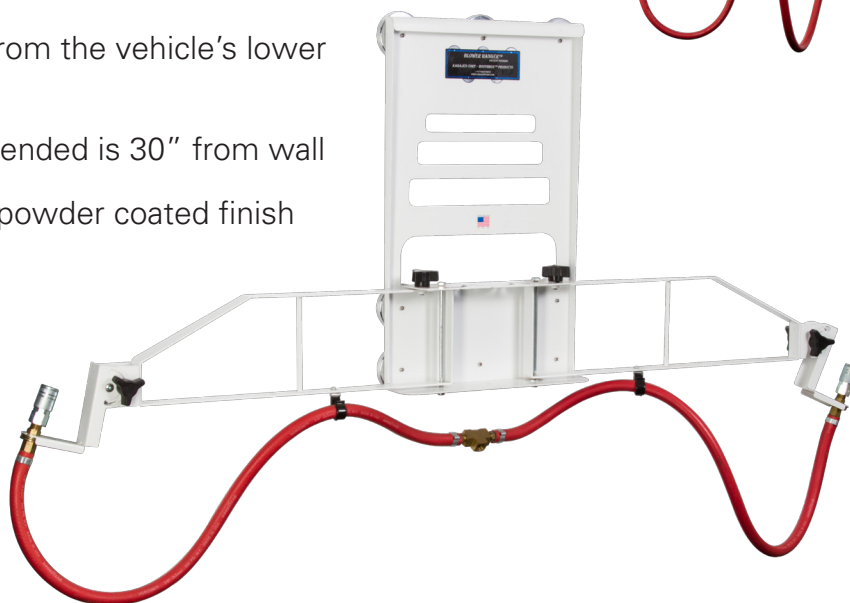

The Original Magnetic Blower Hanger™, by Karajen, is the answer for fast and easy drying of waterborne paints. Simply position the magnetic base on the wall, set air volume, aim and lock arms at targets.

Serves as the primary drying system. Can also be used in conjunction with other air movement systems to increase accuracy.

Works with most styles and brands of air blowers.

FEATURES INCLUDE:

- Magnetically mounts securely to the wall using high-powered magnets - no installation, drilling or booth retrofitting. Sets anywhere within the booth
- Aims precisely at targets with a variety of full movement: left-right, up-down and angles
- Arms rotate 180-degrees, and completely against the wall when not in use
- Air can be directed anywhere from the vehicle's lower rocker panels to the rooftop
- Depth with arm length fully extended is 30" from wall
- Solid steel construction with a powder coated finish

Part #	Description	Product Dimensions	Approx. Ship Weight
99902	Blower Hanger – Magnetic	20.5"H x 12"W x 25"D (arms extended)	16 lbs

Blowers and material props shown in images are not included.

CAUTION: Never use any magnetic accessory on or near computer equipment. Use caution with all magnetic products. Keep fingers and other important body parts away from the path of the magnetic - metal contact.
